Letter from your Editor

Hello!

Ah yes, the futility of most New Year Resolutions. I am always making them though I try to be most realistic these days. I shall try to drip feed these intentions as I know any large schemes are doomed to failure! So I shall chuck out one drawer or one box file of junk at a time, and do a little exercise here and there, get a bag or two stuff to the charity shop etc.

My worst habit is one I continued all my life and especially in working life. That is my system of paperwork. It's known as the LBW method with an In-tray, an Out-tray and the LBW tray— Let the Buggers Wait! There was any amount of useless bumf that came along when I was working, and I believed that what I was really paid for was looking after my students, not fiddling with paper, so the LBW tray overflowed till the end of term, when it was emptied into the large grey receptacle near the door. I refused to even consider doing someone else's admin job till asked a second time - or even third.

And this continues now I am retired - I manage to collect papers on my kitchen table thinking I should probably read it, do this, whatever. But then someone drops by for a cuppa so it all gets cleared into what's laughingly known as my office - a cupboard with a wobbling tower of bumf on the desk. Every so often I get fed up or an avalanche happens and then again, remove the financial stuff and the large grey receptacle gets the lot of course. Now the grey bin goes to the purple lidded wheelie and away. Job done!

Must try harder! Now where did I read that in years gone by....?

Best wishes, *Jane*

Thank You!

Santa and his team of jolly elves would like to say a BIG thank you as always to everyone who came out in the cold and wet to see them! Also big thanks to all those lovely people who bought out warm refreshments! We managed to raise a whopping £1300 which this year is being donated to Prostate Cancer UK.

See you all again at the end of the year!

Elly and Keith would like to thank all their customers for their support over the years, and also for the Christmas and Keith's retirement gifts. A special thanks to Diana and John Shields who chose us to take over from them when they retired.
Elly Smith

A huge thank you

to everyone who put a Christmas message into the magazine this year. We appreciate that times are difficult but **we still raised £530 for Lives** which is fantastic under the circumstances and has the benefit of saving on postage for local cards and giving to charity at the same time.

The Royal British Legion Poppy Appeal

As you know this year we didn't do our usual door to door collections. However the school, The Five Bells and the Claypole shops all had poppy boxes. Between them they raised **£538.81**.

Brushstrokes of History: a look at paintings that depict an important historical event with David Price

Explore paintings that depict important historical events or simply reveal fascinating aspects of contemporary society. A history course rather than an art history course but art is very much at its centre. Using examples including Van Eyck's Arnolfini Portrait, Fragonard's The Swing, Goya's 3rd May 1808 and Picasso's Guernica we will examine the artists motivation and the background to the events and scenarios portrayed.

EXCITING NEWS!

In November, we were awarded nearly £20k by South Kesteven's UK Shared Prosperity Fund to refurbish the Hall's kitchen facilities. We took the decision to press on with the project whilst the Hall was quiet over the festive period – we've had a great team from Grove Construction, as well as electricians rewiring and Gary Henderson on the redecorating. At the time of writing this, the work is almost finished and we're pleased that there are already bookings, like Cook Stars holiday club, who will make use of the cooking facilities. We hope to host a foodie event soon and we're looking forward to adding hot food to some of our VH events.

We are also coming to the end of the library refurb project – just the finishing touches left to do. We're really grateful to the team of tradespeople who have been working on that too. It's looking amazing and there will soon be a new hire space available for smaller groups, training sessions, meetings & workshops. It will also be great for family and friends get-togethers catered by the Side House.

Once both projects are completed, we'll be hosting a celebration event, giving everyone a chance to take a look at the new facilities. Look out for a date and we hope you can join us!

BOOKINGS: if you're interested in hiring the Hall, you can view our calendar and request a booking online via our website: www.claypolevillagehall.org/onlinebooking

If you are planning a celebration or event, we would be glad to show you round at one of our regular **open viewing sessions** – please check our facebook page for details.

We'd love to see more people enjoying Claypole Cinema Club. It's very much a social cinema; seated around tables with drinks and snack available to buy. You can bring a bean bag if you want to get really comfy!!

We screen 1 film per month, with a range of genres - our next screening is by special request **Friday 16th February –The Miracle Club**. We're happy to take requests if there's a film you missed at the cinema and want to see on a big screen.

The licensing means that we operate as a members' club so films are advertised within the membership, which costs £10 per person or £25 for a family ticket (2 adults + 2 children/1 adult + 3 children, £5 for extra child) - great value compared to a cinema trip!

The Green Page

Introducing our new young reporter Elizabeth

Now it's February, it's time to use the new purple lidded recycling bin! This new bin's function is to recycle cardboard, paper, newspapers, junk mail and any household or food packaging. It is recommended by the council that the tape on cardboard boxes is removed as much as possible, but it will not be an issue if there are little bits still attached when the box is thrown into the bin.

The most common type of packaging tape is polypropylene - which turns out to be amongst the most common plastic materials. Therefore, the size and the thickness makes it impossible to be separated and processed as tape.

However, even though it cannot be put into the new purple bins, polypropylene is not without its advantages to the environment. In fact, even though it is not completely sustainable, it is an environmentally conscious option! It has a relatively low carbon footprint and doesn't release toxins.

All this recycling is good news for the environment! The clean, dry and quality cardboard will be sent directly to a paper mill, described as dedicated by the council, known as Palm Paper Limited.

Palm uses recycled raw materials to manufacture paper! They even go as far as operating the world's largest paper machine for newsprint in the United Kingdom. They even say themselves how important sustainable paper production is to them and how they are oriented towards being environmentally friendly.

If everyone in the country recycled just 10% more paper it would be enough to save approximately five million trees each year!

–Elizabeth

Kathleen's Kitchen

This is a quick & simple recipe using 4 - 6 ingredients, for 4 people, but can be adjusted either way!

All measures are approximate.

Fish Fillets with Orange Sauce (If preferred, use fresh lemon)

Ingredients:

4 fresh white fish fillets

1 fresh orange

2tbs of white wine (optional).

If not using wine, replace with more orange juice

3 tbs of butter melted

Method

Zest the orange & then juice it.

Place 1tbsp butter in a frying pan & heat.

Place the fish in the pan.

Blend 2tbsp orange juice & wine with the rest of the melted butter & pour half of it over the fish.

Sprinkle with sea salt, black pepper & 2 tbsp of zest.

Cook for 2 minutes before pouring the rest of the sauce over the fish.

Continue cooking until the fish is done. (The fish should flake easily with a fork).

Note: Add more zest & juice if you require it & serve with any vegetables you choose.

News from Claypole & District Women's Institute

Welcome to the fun and the madhouse!

Our Christmas party was the usual great fun with a magnificent spread followed by a closely contested quiz. Special thanks to Kathleen for yet another of her fiendish quizzes.

The Women's Refuge were overwhelmed with delight at the car load of goodies we had for them. We agreed to keep helping them throughout the year if possible. Information will follow.

In January our Gentle Exercise with Fliss wasn't quite as gentle as some of us had been led to believe, but we all had a go and surprised ourselves at how much we could manage. We undid all the good by enjoying our cake afterwards of course.

On Tuesday February 13th at Westborough Graham Keal will talk about "50 shades of Graham". He used to work as a comedian and will tell us about his time working with various personalities. Should be fun!

Tuesday 12th March is our AGM at Westborough. Business is kept short as possible so there will be time for the Quiz.

Please bring your payment for next year's Subscriptions. £48.00 this year.

That's an increase of £2 on last year. Cash or electronic transfer possible.

Important note: Cheques must be payable to Stubton and District WI please as changing the name at the bank would involve huge rigmarole and fuss.

Please ensure that treasurer Gill has any updates on addresses or email contacts, phone etc.

Tuesday April 8th is Powertex Sculpting (fabric) demo with Debbie Clarke.

Painting art & Craft mornings between the hours of 9.00-12.00 with Jane at Westborough Village Hall on the first Friday of every month:

Friday 1st December, 2nd February, 1st March etc

Contact Jane for further info - Bring your own project or start something new. Beginners welcome. All kinds of art and craft possible.

Are you thinking of joining? or coming back?

The first visit, same as visitor's fee, is £4.00 and we hope you will join us for lots of informal fun.

Westborough and Dry Doddington Parish Council News

Flooding in Westborough

Storm Babet on 20 October caused the River Witham banks to burst, flooding 6 properties and cutting off normal access to 25 other dwellings. No flood alert was given to vulnerable residents and only a general alert on 18 October. The river level hit the footbridge near the church that then acted as dam, deflecting water into the village. The Parish Council agreed to a) form a working group to see what we achieve locally, b) contact LCC regarding raising or modifying the footbridge, c) lobby the Environment Agency for improved channel clearance of the river.

The Parish Council has provided 200 sand bags and 5 tonnes of sand for future use, kindly stored by John Kerr in his Westborough barn.

Litter Pick

This year our annual litter pick will be on Sunday 25 February, with Sunday 10 March as a reserve date. If you can't make this date, you are welcome to litter pick your area beforehand so the rubbish can be collected the following week.

Cllr John Forman will co-ordinate Westborough and Cllr Vickie Birnage for Dry Doddington. They can supply bags and litter pickers, please use your own gloves and high vis vest if you have one. John Forman can be contacted on 01400 281616 and Vickie Birnage on 07860 737373. Litter will be collected by SKDC from Dry Doddington Village Hall and Westborough Bus Shelter. Thank you for making a difference to our villages.

Vacancy for a Parish Councillor – are you interested in joining the Parish Council? There is one vacancy for a resident of either Westborough or Dry Doddington, no experience required. Please email or ring the clerk for more information or with your expression of interest by the end of February.

Roads and Potholes

Thank you to all who continue to report road problem on 'Fix my Street' it does make a difference. Repairs to Hougham Road, Dry Doddington are scheduled for this February/March and Clensey Lane repairs will be done in sections.

Parish Precept

This will remain at £2,700 which equates to £18.49 per year on your council tax for a Band D house.

Date of next meeting

Adverts

Diana Shields was recently clearing out old documents and kindly passed them on via Nik Codd. Many thanks.

There were two newspapers included - The Daily Express Saturday November 7th 1959 and The Sunday Express May 25th 1947. Lots of interesting adverts reflecting post war society.

From Lent to Easter

The most important time of the church's year

Pancake Day is when we eat up some of the things we will deny ourselves in Lent. This year it is 13th February and Lent starts on the 14th. We will make pancakes in St Peter's on Tuesday morning, children especially welcome 10.45-12.45.

Ash Wednesday the start of Lent, there will be a candle-lit service at 6.30pm in All Saints Westborough.

Extra services in **Lent** include:

Weekly online meetings discussing Lent and its meaning

Mothering Sunday, 10th March, Family Service Claypole, 10.30am

Easter week starts with **Palm Sunday** on 24th March, with a procession from Claypole Village Hall to St Peter's church at 10am with the donkeys

Compline will be said at 7pm on Monday at Dry Doddington and Tuesday at Fenton, online on Wednesday at 7.15pm

Stripping of the altar on **Maundy Thursday** at Stubton at 7pm

Good Friday walk, carrying the cross, from St James Dry Doddington to All Saints Westborough with open air readings at Westborough, setting off at 10am, readings at 11am.

Easter Sunday we will celebrate Jesus rising from the dead at St Peter's Claypole at 10.30 am

Join any and all of these services as we move from self-denial to celebration.

The normal service rota can be found on the back page and is in addition.
